Eli loves TRAVELLING

ABOUT

We are a family of travelers named Elisa, Michele, Sofia and Zoe, who cherish nature and quality family time. Constantly seeking new travel and exploration opportunities, we have a deep passion for discovering the world.

Our top destinations include Greece, Veneto (our home), and Trentino (Elisa's native region). We are also eager to explore new destinations, as we believe that exploring the world with kids adds an extra layer of excitement to the journey!

Through our work, we aim to inspire other families to seek out travel experiences and appreciate every aspect of travel, from family-friendly accommodation to wonderful landscapes.
